

BizEturtle's list of links and information on Monmouth County Municipalities
There are 53 Municipalities in Monmouth County
Boros, Cities, Towns & Villages

Also includes

Census-Designated Places (CDP)

A census-designated place is a concentration of population defined by the United States Census Bureau for statistical purposes only.

The purpose of CDPs is to provide meaningful statistics for well-known, unincorporated communities.

Unincorporated Communities

An unincorporated community is an area that does not have its own municipal government. Such areas are within the political and administrative jurisdiction of a city, borough, township, town or village.
